## WHAT TO SEE?

### In Kupiškis:

#### 1. The Christ Ascension Church of Kupiškis

It is one of the largest churches in Lithuania, built in Neo-Gothic style between 1900-1914.  
▶ Gedimino st. 1

#### 2. Kupiškis Ethnographic Museum

The Museum reflects the existence and the household of this region. It is the only museum in Lithuania established during World War II.

▶ Gedimino st. 2, +370 459 35 439,  
etnografijos.muzejus@gmail.com | www.etnografijosmuzejus.lt

#### 3. "The World Tree of the Balts"

The most famous sculpture-fountain, created by Henrikas Orakauskas, in Kupiškis town.  
▶ Gedimino st.

#### 4. Laurynas Stuoka-Gucevičius Square and its musical fountain

It is named after the famous architect Laurynas Gucevičius, who designed the Vilnius Cathedral.

#### 5. The former Jewish synagogue (now Kupiškis Municipal Public Library)

In 2004 a memorial plaque was unveiled in the former synagogue, which listed the names of 820 Jews who died in Kupiškis. In 2021 the reconstruction of the synagogue was completed, after which an authentic polychrome decor was uncovered in the hall.

### In Kupiškis district:

#### 6. Kupiškis (Aukštupėnai) Mound

According to the legend, a long time ago there lived two giants, who were very fond of talking while smoking their pipes and Kupiškis mound was formed from the ashes.

#### 7. Kupiškis Lagoon and Dendrological park of Mother-in-law's Tongue

It is the fourth largest artificial water body in Lithuania. It is famous for its isle called Mother-in-law's Tongue, which is one of the most beautiful isles in the country. Kupiškis Lagoon is a recreation and entertainment place where the most significant events of the district and various sports competitions are held.

#### 8. Palėvenė Ensemble of St. Dominic's (Dominican) Church and the Dominican Monastery, Palėvenė (Komarai) Manor

It is the only Baroque Dominican church and monastery ensemble in Northern Lithuania. Currently you can taste the monk's dishes and certified beer from Kupiškis region in the restored monastery barn, or you can try writing with a goose quill in a scriptorium. The offspring of Komarai have been ruling Palėvenė (Komarai) Manor from the 16th century to the present day.
